The line

AMMONIA-FREE PERMANENT COLOR · 60 G

Permanent cream color by Tree Liss, free of ammonia and PPD, enriched with coconut oil and keratin. Every shade in this catalog is shown on a hair swatch, with the code you use to order it.

Highlights

- Ammonia-free and PPD-free permanent color
- Enriched with coconut oil and keratin
- Vibrant, long-lasting tones
- 100% gray coverage

Specifications

SIZE	AMMONIA	PPD	ACTIVES
60 g / 2.1 oz	Ammonia-free	PPD-free	Coconut oil and keratin

GRAY COVERAGE	MIX RATIO	DEVELOPER
100%	1+1	Not included

How to read the code

The number before the dot is the level, from 1 (blue black) to 10 (extra light blonde). The numbers after the dot are the reflex — the tone of the color.

1	2	3	4	5	6	7	8	9	10
Blue Black	Natural Black	Dark Brown	Medium Brown	Light Brown	Dark Blonde	Medium Blonde	Light Blonde	Very Light Blonde	Extra Light Blonde

Example: 7.1 = level 7 (Medium Blonde) + reflex .1 (Ash) → **Medium Ash Blonde**. The Naturals family below shows each level.

How to use

TREE LISS COLOR BLISS

01 **Sensitivity test.** Do a sensitivity test before applying the color, and a strand test before the full application.

02 **Apply.** Apply to dry, detangled hair.

03 **Process.** Leave on for the time recommended on the package, according to the intensity you want.

04 **Rinse.** Rinse until the water runs clear, apply conditioner and finish as usual.

Mix ratio 1+1. Each tube contains 60 g of color only — developer is not included.

Correctors

They follow the color wheel: blue/grey neutralizes orange, red neutralizes green and violet neutralizes yellow.

Precautions

Pregnant or breastfeeding women should consult a doctor before use. Keep out of reach of children and pets. If it gets in the eyes, rinse with plenty of running water. If irritation occurs, stop use and seek medical advice. For external use only; do not ingest. Keep it away from light and intense heat.

TREE LISS COLOR BLISS

How to order

Choose your shades by code (for example, 7.1) and send us the codes with the quantity of each. We ship from South Florida.

Swatches are a reference: the final result depends on the natural base of the hair, previous color and the developer used. Always do a strand test.
